THIS BOOK DEPICTS KIRA TSUBASA'S LOVE OF μ 'S TO THE POINT SHE LOSES ALL CHARISMA. IT MIGHT LOWER YOUR OPINION OF HER. PLEASE BE CAREFUL.

I JUST
DRAGGED
HER IN
HERE BUT...

WHAT
SHOULD
I DO?

Gulp

Wow,
the real
thing...

UP CLOSE,
KOUSAKA
HONOKA-SAN
IS JUST TOO
CUTE...!

EVEN THE
OTHER

This is
LTX.

It's
Otonokizaka
after all...

I think
we're too
late...

Huh?

HUDDLE

Tsubasa
is really
excited at the
moment.

We'd better
quietly follow
her.

HUDDLE

Of course,
I got all your
CDs and goods
as well!

I've been
supporting
and following
you from the
start!

Your eyes,
shining like
the sun! That
brilliant smile!

I knew it
was you
the instant
I saw you!

You're so
much more
charming in
person, you
know!

I just
wanted to
greet you.

I mean,
look.

Eh?

That's
right, we are
rivals!

Yes, at the
previous Love
Live we thought
you would be our
top rival!

COVERS
MOUTH

I must
have
taken!

What she
means is, you
have amazing
"charisma"
that attracts
others!

Afterword

To those who don't know me, and those who do, I'm Shiroihaku.
Thank you for buying my book "Tsubasa-sama is a Love Liver!"

After those three original episodes where A-RISE was so cool and had such charismatic lives, I thought it'd be funny if they were all really into μ's and made this book. After all, "rivals" are really "friends"...!

I guess this is my first Love Live book that isn't NicoMaki, so I hope you all like it! Even if you only kind of like it, I'm satisfied.
My next Love Live book will be NicoMaki again.
It's too late for the next event, so I'll be releasing it at Summer Comiket.

I hope you'll come by to see me again.
